MISSION

Since 1991, FACAA has empowered individuals and families in the Fulton Atlanta region through financial literacy, workforce development, digital skills, and essential support services — building pathways from poverty to prosperity.

MESSAGE FROM LEADERSHIP

“In FY2025, FACAA served more than 14,000 families, trained over 1,000 digital and financial literacy learners, and graduated 166 Google-certified professionals. We are not just providing services — we are creating pathways to lasting economic independence.”

— Dr. Howard W. Grant, President & CEO
